Hartman's Glass Art, Paned Expressions Studios : Stained Glass Pattern Collection - "West By Southwest"

before purchasing it in order to gauge whether or not it would be worth my time, and all praised Stained Glass Pattern Collection - "West By Southwest":

1 of 1 people found the following review helpful. Total disappointment. By Virginia R. Should have been in book form. Not many interesting patterns. Total disappointment. 0 of 0 people found the following review helpful. BEST ever!!! By JuJu O'Brien One of the best collections of stained glass patterns ever! Unusual west and southwest patterns that are complicated, yet lines can be erased to make them simpler. I like that I can print and tape them together on my own computer...in any size I want!!! 0 of 0 people found the following review helpful. Captures the Southwest Aura! By schnauzer Nice collection of challenging designs.

Judi Hartman of Hartman's Glass Art Studio in Flagstaff, AZ, has done it again with a fantastic collection of over 90 patterns for stained glass, etch and multilevel carve. From Wildlife to Native American life, from florals to landscapes, Judi has captured the true WSW in her glass designs over the past 20+ years. These full size patterns accommodate all levels of glass expertise. Each pattern is shown in glass image and bW and is available in a JPG, TIF, and Glass Eye 2000 format for easy resizing and recoloring in any graphics program on your PC or Mac.

These Stained Glass Patterns offer something for all skill levels. Over 90+ popular full-size patterns in 3 formats. -- Maureen James, Glass Patterns Quarterly A collection of 90+ stained glass patterns - something for everyone! It's easy

to resize and recolor these patterns yourself. --Vicki Gillespie, Stained Glass News
