James MacKay : Stamp Collecting before purchasing it in order to gauge whether or not it would be worth my time, and all praised Stamp Collecting:

0 of 0 people found the following review helpful. Old Book, Basic information By D. C. Merkle This book was recommended to me as a good book to explain the basics of stamp collecting. It's out of date, but the basics haven't really changed. A great book for the beginner or just for brushing up. A nice reference book to have on the shelf.
