1 of 1 people found the following review helpful. Stamping Made Easy is a good book for basicsBy Carol  
TallerStamping Made Easy is a quick reference book that teaches the basic skills of rubber art stamping. The book covers different types of stamps, inks, surfaces, coloring and backgrounds. Basic supplies to begin are listed, and how

to make a clear impression is the first lesson. The book covers a wide range of basic skills with pretty photos and easy explanations. This book is a nice beginning for a new stamper.

Updated lessons in basic skills explaining which stamps are used for what purpose, and updated techniques for surfaces, coloring and backgrounds.

About the Author Michele Charles has traveled extensively throughout the US teaching creative techniques and projects.
