I've been making quilts since 1982 and the Star Log Cabin is a favorite. The directions are easy to follow even for beginners and the result can be stunning. In the early 1990's, I made Christmas quilts for the Christian school auction where my daughter attended. Each quilt raised over \$500. It's been years since then. I went to work for many years but recently have more time. I now have most of the fabric to make a Christmas Star Log Cabin for our bed. I'm looking forward to getting started.0 of 0 people found the following review helpful. RewisJust bought the fabric I'll use to make this quilt. I make a king sized quilt every year as a fund raiser for Georgia High School Rodeo Association. Last year it was Eleanor's Log Cabin. Her instructions are clear and easy to follow.

Star Log Cabin adds a new dimension of beauty to the classic Log Cabin pattern. Using her famous Log Cabin book as the foundation, Eleanor has developed an assembly-line method of adding stars among the blocks. These are easy stars, not diamond patches!
