Tonya Alexander : Stash Lab: Simple Solutions for Scrap Quilts before purchasing it in order to gage whether or not it would be worth my time, and all praised Stash Lab: Simple Solutions for Scrap Quilts:

8 of 8 people found the following review helpful. Great BookBy QuiltdivajuliePurchased this book because I am a scrappy quilter - like the layout, photos, content, and projects (although I'll likely veer off and do my own thing which is normal for me). Congrats on a solid release!3 of 3 people found the following review helpful. Nice book!By LHLove this book. Great ideas and patterns for new quilts. I don't buy many books but when I saw this one, I had to order it!0 of 0 people found the following review helpful. This one is a keeper for the library!By MaryGood method for scrap saving and the projects are very fun. I think a beginner to an intermediate quilter would find this book helpful

and inspiring.

Find fresh new ways to combine the scraps you've been collecting. Perfect for budget-minded quilters, these visually pleasing designs give a modern slant to traditional quilt blocks. Discover three "scrap equations" that will make you fearless about fabric: neutrals + scraps = balance, value color, and more = better Choose from 11 appealing projects for confident beginners and beyond Learn time-saving techniques for sorting and storing your scraps so you can easily transform them into fabulous quilts

About the Author Tonya Alexander of Ferndale, Washington, has a background in education. Her designs have appeared in several quilting magazines. Visit her at EyeCandyQuilts.blogspot.com.
