Get Steamed!By Marilyn KivoEven at 80 yrs. old, I found this book to be a lot of fun. Cute gals, sexy get-ups, and big red lips ... each one was a joy to work on, and the more colors I used, the merrier! I'm already looking for a similar book to begin the process all over again. Keep 'em coming !0 of 0 people found the following review helpful. BeautifulBy Michelle BinleyLove these ladies.... Deborah gives you artwork that has so many possibilities.

Steampunk Girls to Color. These cute, crazy and delightful steampunk girls are posing and ready to bring to life with color! 24 beautiful pictures, one sided and professionally printed. If you love steampunk you will enjoy this whimsical
