I really like wire-wrapping and wire-weaving jewelry, and this had some great ideas. It does matter that it is a 2005 CD because jewelry designs don't have an expiration date...they are good and will always be good.

With this amazing CD collection, you'll get the 2005 season with 32+ step-by-step projects, full-color searchable

pages, quick-print projects, and all the tips and how-tos the jewelry world trusts from the editors of Step by Step Wire Jewelry magazine.
