It's time to celebrate Christmas in the magical world of *What Delilah Did!* Whatever your holiday style, you'll find something that's just right in these three themed collections. *Merry and Bright* offers colorful, modernist geometric gems and a mini-sampler stocking. *Stylish and Chic* items, like *Polar Parade Bunting*, will delight sophisticates.

Traditionalists will opt for Classic and Cosy projects, including a Tiny Highland Village Garland. So join Delilah in celebrating her favorite time of year with stitched decorations that are, quite simply, heirlooms in the making.
