Ayako Otsuka : Stitchy Kitty Fuzzy Puppy before purchasing it in order to gauge whether or not it would be worth my time, and all praised **Stitchy Kitty Fuzzy Puppy**:

0 of 0 people found the following review helpful. Great stitching
By Amanda This is a wonderful book for the pet and embroidery lover. I (finally) learned stump work embroidery from this book. And the motifs are cute without being kitsch
1 of 1 people found the following review helpful. Great book!
By Demi Buyer It is just as described. New, all about fur and how to stitch it. Threads to use. The quintessential Kitty/Puppy fur book! It would work for a lot of human hair also.
3 of 3 people found the following review helpful. Fun !
By CSU Cute book with great ideas for cat and dog lovers alike. My young granddaughter is anxious for me to teach her some of the needlework skills shown in this book.

The irresistible and adorable cat and dog motifs in this project book take Japanese cuteness to a whole new level. The more than 60 original embroidered motifs are shown in step-by-step detail for stitching, and the array of projects

includes home accessories, apparel items, and fashion ornaments. Complete sewing instructions for each project insure an ideal backdrop for the embroidered embellishments. Beginners will appreciate the detailed illustrations and explanations of the embroidery stitches used throughout the book, while experienced stitchers will be inspired by the contemporary project designs to take their creativity to the next level. Endearing dozy kittens, frisky puppies playing with bones, wagging tails, and paw prints galore guarantee that no cloth surface is safe from a cute attack.

"Adorable and perfect for any cat or dog lover." plushyou.blogspot.com
