0 of 0 people found the following review helpful. Modern lookBy K. Carlson TAZWhat great, fun, and colorful ideas!1 of 1 people found the following review helpful. Great book!By NataliaI have loved making projects from Stop. Go. Quilt. Sew! It's a great book with very easy to follow instructions and great ideas for boys! Would highly recommend this book to any one looking to make some great projects for boys, or could be adapted for girls.0 of 0 people found the following review helpful. Amazing and inspiring!By Shannon DennisIt's been a long time since I've gotten a book and wanted to do EVERY project in it. This book changed that! My son is getting a new bedroom set for

Christmas!

Observe the rules of the road and share your love of hand-sewn keepsakes with the boys in your life. Boys of all ages love their carscelebrate their devotion to all things transit and stitch up some fun things for them to wear and use. Learn a new style of scrap applique using raw edge and reverse applique techniques. From toddlers to teens, boys (and girls too!) will love showing off these cool street sign and traffic signal designs. Full-sized patterns are included for a quilt, pillows, shirts, messenger bag, shower curtain, towels more.

"Stop. Go. Quilt. Sew! is a fun book of sewing projects for the little (and not so little) boys in your life. All of the projects revolve around the theme of traffic signs, which makes for a unique and cohesive collection of projects for all skill levels." --Quilt Dad [quilt dad.com/2012/08/stop-go-quilt-sew-blog-tour-giveaway.html](http://quilt dad.com/2012/08/stop-go-quilt-sew-blog-tour-giveaway.html)"Everyone in the Sewing Universe is always talking about how there are never enough "boy/guy/dude" quilts and projects, so Angela decided to whip up some pretty cool designs here that pretty much would work for any man or boy cave out there. And what I like most about these projects? Besides their strong graphic element? They are scrappy!!" -- Blue Nickel Studios [bluenickelstudios.com/?p=4783](http://bluenickelstudios.com/?p=4783)About the AuthorAngela Yosten's family was influential and supportive in helping her to develop her creativity and love for designing from a very young age. After she started her own family, she was inspired do even more sewing and invent her own style.
