The only thing was it seemed like it was an advertisement for Creative Grids. Wish it had more instruction on how to make if you don't have Creative Grids or at least let the buyer know you need them to create what's in the book.1 of 1 people found the following review helpful. Talk About Inspired!By Tech NotIt's rare that someone looks a specialty ruler and gets inspired to make one or two quilt layouts, but Kathy did a full immersion and came up with 16 more! The designs are great! This book added value to the specialty ruler by giving you an option of 32 designs
