This book is so much more than the review shows ...By JW NeedleworkerThis book is so much more than the review shows. There are some real beauties in here with very clear instructions.0 of 0 people found the following review helpful. Love, love, love this book!!By Cindy JosephsonLove the creative approach to strip quilting...just learned to do the curves so I can't wait to try a pattern!!

The combination of straight lines and gentle curves creates zingy but easy-to-make quilts. You'll be hooked before you know it! Includes 3 quilt projects.

About the Author Louisa L. Smith loves playing with fabric, color, and design, and has the quilting awards to prove it! She was born in Indonesia, raised in the Netherlands, and now has lived in the U.S. for many years. Louisa resides in Loveland, Colorado.
