Janice M Hughes : Stupid Dog Toys: 52 Cheap and Easy Alternatives to High-Priced Pet Products before purchasing it in order to gage whether or not it would be worth my time, and all praised Stupid Dog Toys: 52 Cheap and Easy Alternatives to High-Priced Pet Products:

(Black and White Edition) Tired of paying a fortune for pet products? Frustrated by your dog's apathetic attitude to the gifts that you give him? Concerned about the mystery ingredients in those stinky prepackaged dog treats? Well, Stupid Dog Toys offers all dog lovers some simple solutions: entertaining toys that you can make yourself from things you

have lying around the house; hilarious games that you and your dog can enjoy together; instructions to make other useful items, such as hats, booties, and bow ties; and recipes for healthy homemade treats that will save you money. Written by biologist Janice M. Hughes, this book also shares some insight into understanding our canine companions. You and your dog will appreciate Stupid Dog Toys as much as her standard poodles do! (Also available in Full Color Edition)

About the Author Dr. Janice M Hughes is an avid dog owner, a keen ornithologist, and an award-winning professor of biology at Lakehead University. She is the author of numerous books on birds, travel, and other subjects. Dr. Hughes lives in the boreal forest with her family and dogs.
