Mtys Pnczl : Sturmgeschütz III on the battlefield. Volume 4 (World War Two Photobook Series) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Sturmgeschütz III on the battlefield. Volume 4 (World War Two Photobook Series):

The eight volume of PeKo Publishing's photo-monograph series, Sturmgeschütz III on the battlefield 3, has the publisher's usual corporate image displayed. The hardcover, landscape formatted book's brief introduction is followed by more than a hundred mainly unpublished photographs, published in the highest possible quality. Both the introduction and the captions are bilingual (English / Hungarian)."
