Some really pretty rugs in this book By MACSome really pretty rugs in this book, but the price was really high including the shipping. Can't wait to get started making some. 2 of 2 people found the following review helpful. Enjoyed the style selections By Marie AndersenThe style selection of the many patterns are varied, exciting, and enjoyable to crochet. Some were easy and others more challenging. All turned out nice.

These beautiful plush rugs from designer Anne Halliday are quick and fun to work up using specialty yarns like thick chenille, extra plush, and super chunky. Simple patterns give you the freedom of choosing the textures and styles to enhance your home.
