The photos lacked charm. No disrespect to senior citizens, but the centerpieces reminded me of something an elderly woman would make. If you appreciate conventional methods of creativity, then this book is for you. But if you are looking for unique inspiration or some Preston Bailey~type action, don't waste your time buying this book. Check it out at the library. The End.0 of 0 people found the following review helpful. Great ideas enclosedBy G FisherThis was exactly what I needed. This book has

some great ideas in it. Very beautiful.0 of 0 people found the following review helpful. Loved it!!!!By KathleenAs an interior designer I am always looking for ways to blend new design with the existing pieces that my clients' already own. Most of them have beautiful family heirlooms that they'd like to highlight in their homes. This book has many fresh ideas for bringing these treasures out to the table top which makes for a wonderful conversation piece. If you're looking for the "typical centerpiece" found at Pottery barn or Crate Barrel, don't buy this book. However, if you want to be inspired with fresh design ideas to create "one of a kind" centerpieces - this is the book you'll love.

Anyone can quickly pull together one of these twenty-five original table centerpieces for entertaining or seasonal decorating.Suddenly a Centerpiece presents 25 projects that will instantly transform a dining table from blah to brilliant. Each centerpiece is super-easy yet interesting, beautiful, and impressive. The projects require no crafting experience and combine wonderful craft materials, faux florals, candles, foods, or textiles with decorative objects and dishes that you already have. A little of that, a little of this, and you have a centerpiece to perk up your table. Full of fresh ideas, the designs include centerpieces for every season, holiday gatherings, and casual or special entertaining.25 table centerpieces for entertaining or seasonal decorating. The only project book about just centerpieces. Projects are sensational and surprisingly easy-crafters will love them, and the craft-challenged can easily make them. Projects use a wide range of materials and accessories sold in craft, fabric, and discount stores.
