Create a bright and cheery full-size calendar quilt with Sunbonnet Sue! Easy-to-follow instructions for 24 blocks-two blocks for each month-allow you to mix and match designs. Creative dimensional techniques give these blocks even

more visual appeal.

About the AuthorSue Linker moved from the plains of eastern Colorado to the Pacific Northwest more than 20 years ago, and that's when she discovered quilts and quilters. She is now dedicated to both, teaching classes and workshops for guilds and quilt shops throughout Washington and Oregon. Sue specializes in hand quilting and is most interested in having students use her instructions and patterns in their own way. "The role I like best," she says, "is that of facilitator and cheerleader."
