**Laura Howard : Super-cute Felt Animals: 35 delightfully dainty projects to stitch** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Super-cute Felt Animals: 35 delightfully dainty projects to stitch:

0 of 0 people found the following review helpful. Great bookBy Caribbean BeautyI bought this while hospitalized but never got the chance to make any of the pieces. But the instructions and images would make it easy to follow0 of 0 people found the following review helpful. Incredibly helpful book for felt crafting beginners!By KaryLove this book! I'm making a couple mobiles for friends and their babies. The instructions are very good and the pictures are clear and helpful. Two things I wish were available though are pictures of the backs of the completed animals and larger size pattern templates. Sometimes during the process it would have been helpful to see the back of the animal and I'm finding that some of my animals are turning out smaller than I thought they'd be. I am overall very pleased that I bought this and it definitely improved my skills when crafting with felt.0 of 0 people found the following review helpful. Learn to Make cute felt crittersBy Gallifrey GirlCute designs that are pretty easy for the casual crafter. Very cute!

Laura Howard brings you another collection of super-cute felt creations, concentrating on the animal world. Following on from the success of Super-Cute Felt, she has drawn together a whole host of new ideas for fun creations, including fish, birds, and animals, from the woodland to the sea, the farmyard and your home. Woodland creatures include a

crafty fox and her cute cubs, a sweet hedgehog, and extras such as a toadstool and acorns to complete the woodland scene. Go on a felt safari to see lions with golden manes, zebras, and hippos that you can recreate in colorful fabric. From under the sea, there are whales, seahorses, and jellyfish, along with a set of fish and their fry, with sequins for scales. On the farm, cows, pigs, and ducks are joined by a chicken and chicks, while in the garden, there's everything from insects to frogs and birds to be made. Pets are included from rabbits to guinea pigs, plus a dog and puppies. There are projects for all skill levels, and each design has clear, illustrated step-by-step instructions. If you need to learn a stitch, there's a helpful techniques section, and there are lots of tips and tricks to make your animal creations really look special. With Super-Cute Felt Animals, you'll soon be able to make a wonderful menagerie, to keep for yourself, or to give as gifts to your friends.
