I love the apples, as you see on the cover, and there are wonderful punched paper snowflakes and tree decorations. The projects are simple and uncomplicated, in keeping with the minimalist, functional, and low-cost principals of Scandinavian design. Lundberg does a nice job incorporating traditional crafts from her homeland of Sweden with modern options that will appeal to kids. Along with typical Christmas crafts of cards, ornaments, and tabletop decorations, Lundberg includes several ideas, such as the Advent candle holder and beaded-tree-candle holder, that invoke Old World traditions with a modern twist.
