Don't waste your money!By RCNot a great book, unless you love herring. This has no crafts, or decor ideas, just mediocre recipes. I do not recommend this book.

A traditional Swedish Christmas evokes thoughts of delicious homemade breads and pastries, beautiful wreaths and ornaments, and handmade crafts fashioned by the fire on a snowy day. Here everyone will learn how to bring those warm traditions into their homes, wherever they live. From glogg to red candied apples, festive hyacinth bouquets to citrus fruit centerpieces, Ernst Kirchsteigers classic recipes and creative projects are simple and inspiring. He includes fully illustrated instructions to make:Walnut and saffron crisp rollsA mistletoe bouquetApple herringGlazed hamPickled vegetablesRosemary crispbreadOrange-flavored shortbreadAlmond and vanilla milkA Christmas chandelierFestive candlesticksIce lanternsAnd much more!Kirchsteiger reminds readers that Christmas is not a race or a contest.
