Bill Schaffer, Kristine Kratt : Taking the Flower Show Home: Award Winning Designs from Concept to Completion before purchasing it in order to gage whether or not it would be worth my time, and all praised Taking the Flower Show Home: Award Winning Designs from Concept to Completion:

0 of 0 people found the following review helpful. Very PleasedBy Louella McAlooseI have always been pleased with the condition of the books I receive.3 of 3 people found the following review helpful. If you love the Philadelphia Flower Show you'll love this bookBy At Home With J DuncanThis beautiful book is a behind the scenes look at what its like to be an exhibitor for the Philadelphia Flower Show. For enthusiast and floral professionals, you'll be wowed by the scope of the projects, the beauty challenges of what its like to create and maintain an exhibit at the show. With wonderful photography, insight, great stories and how to sections, there is something for everyone in this book. Bill Kris are true floral professionals who have shared their journey with us and indeed its a delight to take home the flower show!1 of 1 people found the following review helpful. Only A DreamBy Swifty from FloridaThis book and the construction of the sets for the Philadelphia Flower Show (the staging) is over the top. I thought it might be more practical. Interesting read but far too elevated for the traditional Flower SHow.

In this extensively and beautifully photographed compendium, these veteran flower show exhibitors reveal the excitement and challenge of realizing large scale artistic visions. The book includes all you need to bring the show home to you, with construction tips, ideas, material lists and flower selection, and insightful techniques to help you create floral designs of your own.

About the AuthorBill Schaffer and Kris Kratt are multiple-award winning floral designers who have been collaborating since 2007. Featured as designers, educators, consultants, and product development specialists, they

travel throughout the world to further their own education and to share their knowledge with others.
