Van Annick Wesemael : Tasty Tables before purchasing it in order to gauge whether or not it would be worth my time, and all praised Tasty Tables:

7 of 7 people found the following review helpful. Lovely To Look At By L. A. Enke Buy this book for inspiration but not help on execution. The beautiful photos will arouse an advanced, artistic, table-setting eye, but you should be already adept at assembly. I discovered a few simple concepts that I can execute -- such as blowing out Easter eggs and using them as small vases. But many of the arrangements and centerpieces are much too complicated to attempt without instructions. Not to be picky, but these tasty tables often leave no room for actually serving food. Van Wesemael's arrangements often dominate the table, making them more suitable for formal charity dinners with wait staff, than dining at home. Overall, the designer's European aesthetic is sophisticated country, working well in both city apartments and country getaways. The designer frequently combines flowers with vegetables, a favorite concept of mine. Here's a link to Van Wesemael's lovely website [...] 1 of 1 people found the following review helpful. OK, but not what I expected By Karen This book was just ok. The photos were blurry and it was not what I expected. I gave it to a friend.

Annick Van Wesemael master florist and multiple award winner translates her passion for her profession in romantic creations. Her floral art is a constant witness of femininity and sober finesse. Annick introduces us to a world of decorated tables. We discover a splendid Christmas scene in an orangery, a beautifully decorated christening party in a

palacial environment, a cosy Winter table in the garden, a refined coffee table, a Mediterranean aperitif, a jolly Summer barbecue. The book bubbles over with ideas to adorn tables and their environment for the most diverse occasions in an atmospheric, homy, snug, delicate, sometimes exuberant way with vegetative as well as floral materials. A spectrum of tips to turn every occasion into a fantastic party. Text in English and Dutch.
