Jennifer C Petersen : Tea Journal - A Tea Lover's Diary II: Ideas, Inspirations and Aspirations before purchasing it in order to gage whether or not it would be worth my time, and all praised Tea Journal - A Tea Lover's Diary II: Ideas, Inspirations and Aspirations:

Tea Journal - A Tea Lover's Diary is a blank journal for you to capture memories, ideas and inspirations with space for 52 different tea events, tea shop visits, or tea parties. The spring floral cover is one of a set of five that have identical interiors. Choose a tea journal that matches your mood or organizes by type of tea establishment visited or as a gift for a tea enthusiast. A diary is traditionally a daily recording however if weekly tea excursions are made, then you'll have plenty of space for a year's worth of tea visits. A tea journal is a perfect way to write about teas, tea rooms, or tea and coffee shops. There is space for inserting photos and for expressing your opinion about the pleasures of tea. If you have an appreciation for tea, good food, and travel, a tea journal is a wonderful way to capture and recapture those moments. On the right side page is lightly lined and has places to write in the date, tea shop, location, your companions, and other notes. The left side page is lightly lined to make additional notes, attach a photo or attach a tea bag label. Tea Journals make great gifts at any time of the year for family, for friendship circles and tea scrapbook fans. They are a wonderful gift (either blank or completed) for Mother's Day, Birthdays and Christmas.
