Judith Blacklock : Teach Yourself Flower Arranging before purchasing it in order to gage whether or not it would be worth my time, and all praised Teach Yourself Flower Arranging:

0 of 0 people found the following review helpful. good basic instructions, great referenceBy CustomerGood basic instruction, great diagrams,will make excellent reference material for my growing library. Great for beginner or professional easy to understand.9 of 9 people found the following review helpful. Good introduction of fundamentalsBy Suzanne BlaylockThis book does a good job teaching the basics of flower arranging. I am now able to read other books about flower arranging that I didn't understand before5 of 5 people found the following review helpful. flower3By bobobear57enjoyed book was very helpful just wished for more information. Seemed a little outdated and reasources limited.

Whether you want to create a simple bowl of flowers for the home, a gift for a friend, or an arrangement for a special occasion, the easy, step-by-step instructions and gorgeous color illustrations in Teach Yourself Flower Arranging help guarantee you will achieve the desired effect. The book tells you how to select the right materials to work with; choose and buy top-quality flowers; create modern and traditional designs; make seasonal gifts and decorations; and maximize the longevity of their creations.

About the Author Judith Blacklock is an experienced teacher of flower arranging. She is the editor of The Flower Arranger magazine and has her own school of flowers.
