**Randy Wardell, Judy Huffman : Terrariums and Planters - 30 Stained Glass Projects** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Terrariums and Planters - 30 Stained Glass Projects:

Terrariums Planters-Revised from Wardell Publications stained glass demonstrates how to combine the satisfaction of horticulture with the craft of stained glass. 30 unique plant container designs cover a wide range of applications from simple plant pots to elaborated terrariums in sizes and styles to suit every need. A comprehensive step by step section guides the reader through the stained glass assembly process. Plus a helpful guide to selecting and caring for plants in terrariums. All projects are shown in color and are accompanied by a specifications list, material list, line drawing

illustration and color suggestions.
