Very Inspiring!By lisa l watsonI loved reading this book and the stories. It has inspired me to ramp up my sales on ebay as i am mainly a buyer and have plenty to sell around here. I actually bought the rest of the books by this author and have started reading another one.

The eagerly anticipated third volume in the '100 Best Things I've Sold on eBay' series is here! You'll be hooked by Lynn's engaging stories of her most interesting eBay transactions. While many marvel at the prices people will pay for the strangest things on eBay, Lynn understands that for many it is because of an emotional connection with the object up for auctions. It is that connection that makes for the entertaining, touching, and inspiring stories of her eBay adventures.
