Vic Hugo : The Alice Butler Book of Hooked Rugs and Wall Hangings: with notes from our family history

before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Alice Butler Book of Hooked Rugs and Wall Hangings: with notes from our family history:

1 of 1 people found the following review helpful. The Art of Rug HookingBy Carol ComptonShameless plug for this book. My uncle and brother collaborated on this gem. It is a tribute to my grandmother's talent and industry as well as a slice of family history. The designs for these rugs are timeless and unique. The reader will see rugs designed by my uncle along with designs by my grandmother and grandfather. This is not only a book of hooked rugs and family history, but a portfolio of fine art between it's pages.0 of 0 people found the following review helpful. Five StarsBy Susan SGreat history and interesting about Alice Butler and her place in art and the rug hooking world.

This book celebrates with colored photos the creative output of Alice Butler who produced nearly 40 originally designed hooked rugs during her lifetime. It is written by her son, Vic Hugo, who designed many of them. Vic shares with us his memories and thoughts on each rug, as well as some family history. Many fans of this great American craft will enjoy this rare glimpse into one familys love of rug hooking.
