**From Salem Pr : The American Comic Book (Critical Insights)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The American Comic Book (Critical Insights):

3 of 3 people found the following review helpful. Table of Contents and First Pages of The IntroductionBy The DoctorNot so much a review, but I thought it might be nice for for people to see if we can get some pictures of the books interiors (Table of Contents and such) on this page! :DBut it's pretty good, yah!Enjoy.

The popular American comic book is considered in this volume of Critical Insights. From their creation in the 1930s to

the widespread popularity of comic book heroes today, this literary form continues to delight and entertain readers. This volume offers
