Rather disappointing.[ASIN:1507836864 The Art and Science of Gilding]0 of 0 people found the following review helpful. One StarBy JossNot informative as I expected. It is more a materials handbook not how to-do-it resource.0 of 1 people

A Hand Book of Information for the Picture Framer Practical instructions in the art of gilding picture frames. Information that will enable anyone to finish frames in gold and silver leaf, bronze and dutch metal. Formulas for compounding the different materials used; also receipts for mixing and handling compo, and the making of cement molds, together with much valuable information acquired through more than a quarter of a century in the gilding business.
