(author) Alex W. Bealer : The Art of Blacksmithing (Hardback) - Common before purchasing it in order to gage whether or not it would be worth my time, and all praised The Art of Blacksmithing (Hardback) - Common:

Explaining how it was done in bygone days, an illustrated guide to blacksmithing shows how to make all of the things the blacksmith traditionally created, including knives, horseshoes, iron grills, rifle barrels, and barrel hoops.
