Callie Craumer : The Art of Giving Flowers before purchasing it in order to gage whether or not it would be worth my time, and all praised The Art of Giving Flowers:

Flowers always make people better, happier and more helpful; they are sunshine, food and medicine to the soul.-
Luther Burbank
The Art of Giving Flowers will help anyone to easily become a better-educated consumer. Its a quick and portable reference, providing the basic tools you need to understand the simple language of giving flowers. Read this book, and in no time at all you will be able confidently purchase flowers anywhere - on the web, over the phone, or in person at your local flower shop. Enjoy flowers for their beauty and impact, and give them to those you love, or want to love, to impress a client, or to thank a friend. Even better, give flowers for no reason at all other than their beauty and comfort they provide. Take pleasure in the benefits of giving and receiving flowers. Youll feel better when you do; flowers make people happy, and communicate so powerfully from one person to another.
