Amazing but limitedBy dvnwrrrThe art of Greg Horn is, of course, amazing, but I thought that the publishers/editors of the compilation could have chosen more diversified pieces of his work. They seemed repetitive in the sense that they would pick a handful of pages dedicated

to one theme (e.g. a particular comic hero). Nevertheless, still a great buy. 1 of 2 people found the following review helpful. Fantastic ArtBy bbrockRailFanI love this guys art work. The book is a pure joy to look at and admire.
