Patricia Bayer, Mark Waller : The Art of Rene Lalique before purchasing it in order to gage whether or not it would be worth my time, and all praised The Art of Rene Lalique:

An artist of wide-ranging genius, Ren Lalique rose to become one of the central figures in France's decorative arts in the early twentieth century. His extraordinary output - including his scent bottles, vases, bowls, mascots and other statuary, is marvelously documented in this full-scale work. Includes more than 350 color photographs, many of which were never previously published.

From the AuthorThis book , an early reference work on the life and work of Rene Lalique, first published in 1988, has become a standard . It has been published in three languages and over seven editions, it remains one of the most accessible and widely read books on the subject. Formed from Mr. Waller's deep and longstanding passion for the subject, it combines Patricia Bayer's well known writings on the period with detailed knowledge of this extraordinary "Renaissance man." Profusely illustrated with professional images from Private Collections and the holdings of Gallery Moderne LTD. in Piermont, New York. It gives an ideal starting point for any collector and enthusiast new to this fascinating field of collecting and research.About the AuthorMark Waller is the Director of Gallery Moderne -Le Style Lalique USA Ltd., of Piermont, New York. The Gallery has specialized in dealing fine Rene Lalique Glass since

1982. Previously established in London, the Gallery headed by this third generation dealer has a remarkable and deep understanding of the life and times of this Master Designer. Mr. Waller has helped curate and advise on over ten international exhibitions on this subject and continues his research on the subject.
