**Stan Sakai : The Art of Usagi Yojimbo** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Art of Usagi Yojimbo:

1 of 1 people found the following review helpful. A beautiful compendium that should be a part of every UY fan's collection. By V. Romero I was fortunate enough to snag one of the hardcover versions. Any true UY collector knows that when a hardcover version is spotted at a fair price it must be snagged quickly. Sakai's limited editions go for a hefty price on the aftermarket--something which I learned the hard way. But there's always room for learning. The collection is an oversized tome with notes, sketches, official artwork, and other Sakai tidbits. The edition I bought was used, but it came in fantastic condition, and the price I paid made me forgive the tiny bends in the corner. However, I found that some of the full-page artworks, which originally were in black and white, had marker drawn over them! I know I shouldn't be reviewing a product based on my transaction with a seller, but I thought I should point that out as

it seemed out of place. At first it seemed that's how it was done, that perhaps Sakai let his children or something color on the pages and decided to include them in this compendium. But they were too childish and no mention of juvenile coloring was mentioned, so I contacted the seller and they offered me a further discount. So I wasn't too muffed. Still, I'm glad I own it either way, though I've yet to finish reading it (there are a lot of details!). 0 of 0 people found the following review helpful. A great book for newcomers and even better for fans! By Anita Buckowing I have waited a long time to own this book and I'm so thrilled to finally own it. The format is beautiful, the content is incredible and fascinating, especially if you're a fan. This should appeal to long time fans and provides a great introduction to Usagi's world too! 0 of 0 people found the following review helpful. Five Stars By KT Great art and well presented!

In the tradition of celebrated collections *The Art of Sin City* and *The Art of Hellboy*, Dark Horse is proud to showcase the work of multi award-winning creator Stan Sakai in *The Art of Usagi Yojimbo*, offered in a softcover format for the first time. The sold-out hardcover edition, timed to coincide with the 20th anniversary of the creation of Sakai's signature character, Usagi Yojimbo, was met with an overwhelming response from thousands of fans around the world. This softcover edition will be printed on the same high-quality paper stock and will feature scores of never-before-seen pieces, a long out-of-print twelve-page primer illustrating how Stan creates each of his Usagi stories, 48 full-color pages of Stan's beautiful painted artwork and more. Additionally, some of the biggest names in comics pay tribute to their favorite rabbit ronin in a fantastic gallery section, with pinups by Frank Miller, Geof Darrow, Jeff Smith, Sergio Aragons and Matt Wagner, among others!
