Walter L. Faurot : The Art of Whittling: Classic Woodworking Projects for Beginners and Hobbyists before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Art of Whittling: Classic Woodworking Projects for Beginners and Hobbyists:

5 of 5 people found the following review helpful. A unique artform is whittling. Your grand father probably carved the things shown in this book. By Black Hawk Bring back a dying art form. Whittling or carving. Give me a stick or a discarded piece of wood and a pocket knife and I will whittle you a unique piece of art. This book starts the creative juices flowing helping you see a piece of discarded wood differently. What can your imagination and pocket knife create. Whittling builds hand eye coordination and allows an individual a way of expressing oneself. My wife takes all of my creations from a pair of pliers carved from a single piece of wood to a dog, giraffe, penguin or whatnots. This book will help you unlock your creativity with a carving knife. Note: buy a thumb guard to protect your thumb while whittling. 2 of 2 people found the following review helpful. better than i hoped it would be. By William J. Price a great little book. I'm beginning to teach whittling to a friend's children. this will excite them. i love the projects and clear explanation of each. even ships in a bottle made possible through careful instructions. you won't be disappointed with this. 0 of 0 people found the following review helpful. Five Stars. By David Neiman it arrived quickly and was exactly as described

The Art of Whittling has provided readers with a wonderful introduction to the enjoyable hobby of whittling for decades. First published in 1930, Walter L. Faurot's guide was one of the first manuals on the subject. This book contains a wealth of traditional whittling projects that are not found in many other books today. Rediscover such classics as: Interlocking wooden puzzles Rings and dumbbells Continuous wooden chains Ships inside bottles Perfect for a beginner or someone looking to enhance their whittling skills, this book also contains instructions for making such items as working wooden scissors and pliers, balls in cages, entwined hearts, fans, animal toys, and joint work. Enjoy exploring a new hobby with this unabridged republication of the original edition.
