Andrei Volgin : The Art Students' League of New York before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Art Students' League of New York:

3 of 3 people found the following review helpful. Unusual Artifact By R. Pielemeier Not much material on this wonderful institution. This was a copy of the original charter. There is not commentary of additional research in it. Wish there was more written. Still a find. Vendor delivery quick good price perfect.

This Elibron Classics book is a facsimile reprint of a 1895 edition published in New York.
