**Barry Shifman : The Arts and Crafts Metalwork of Janet Payne Bowles** before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Arts and Crafts Metalwork of Janet Payne Bowles:

"... the metalcraft and jewelry of this overlooked and idiosyncratic artist-metalsmith... resonates with an uncommon personal passion." W. Scott Braznell This luxuriously illustrated catalog, the first survey of her life and work, reproduces seventy objects by Janet Payne Bowles (1872-1948), an Arts and Crafts jeweler and metalsmith who worked in Boston, New York, and Indianapolis and enjoyed an international reputation during her lifetime.

About the Author BARRY SHIFMAN is Associate Curator of Decorative Arts at the Indianapolis Museum of Art.
