**Mark S. Reinhart : The Batman Filmography** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Batman Filmography:

1 of 1 people found the following review helpful. FANTASTIC BOOK. TerrificBy John A DriscollFANTASTIC BOOK. Terrific, speedy, DELIVERY!0 of 0 people found the following review helpful. The definitive handbook to Batman on the big screenBy Austin's KindleAs an avid Batman fan, when I noticed this book, I absolutely had to get it! It should be of note that I got the Kindle version, but either way, I thoroughly enjoyed this book! One of the reasons I enjoyed The Batman Filmography is that it had reviews to match the description of the film, and the author, I'm sure, has similar opinions of these films as other fans of the Dark Knight, including me. I must mention that the information

is not just about all of the movies theatre runs of the films, but a thorough account of merchandising, as well as home video release! Of all the Batman film guides there are, this is the one I enjoy the most, and think that any Batman fanatic, or even just superhero fan, or just someone who like great writing about film history, will notice the love and care put in by Reinhart!-"Some days you just can't get rid of a bomb!", Batman (Adam West), in Batman (1966)

This is a complete reference work to the history of Batman big screen works, from the 1940s serials through the campy 1960s TV show and film, and up through the series of Warner Bros. summer blockbusters that climaxed with Christopher Nolan's 2012 film *The Dark Knight Rises*. Chapters on each Batman feature include extensive film and production credits, a production history, and a critical analysis of the movie relative to the storied history of the Batman character. The book also examines the Batman-related works and events that took place in the years between the character's film exploits.

"Excellent...written with such enthusiasm and love for its subject...read this book." --Big Reel  
"Beautiful retelling of Batman's history...terrific insight...I liked this book tremendously." --Classic Images  
"Important...researched well and presented in clear prose." --Arba  
About the Author  
Mark S. Reinhart, an Abraham Lincoln historian and lifelong Batman enthusiast, has presented lectures on Lincoln-related film and television at a number of libraries and museums throughout the country. He works as a musician in Columbus, Ohio.
