What could be cuter than a hand-knitted bear? One with a complete and completely adorable hand-knitted wardrobe! The Best-Dressed Knitted Bear provides knitters with patterns for six different varieties of teddy bear, and then demonstrates how to mix up yarn types and color choices to completely personalize each one. But where would a teddy bear be without a snuggly sweater ... or pirate outfit? These 18 adorable ensembles take teddy from a day at the beach (Hula Bear) to a jungle adventure (Safari Bear). With so many special characters to create, you'll love knitting these thoughtful gifts as much as the children in your life will cherish their cuddly new friends.
