Elly Sienkiewicz : The Best of Baltimore Beauties: 95 Patterns for Album Blocks and Borders before purchasing it in order to gage whether or not it would be worth my time, and all praised The Best of Baltimore Beauties: 95 Patterns for Album Blocks and Borders:

1 of 1 people found the following review helpful. Wonderful Addition to the Baltimore CollectionBy Shela SimpsonPurchased this book in my search for some original Baltimore patterns. I already have the "Best of Baltimore Beauties II' and had been searching for the first book. The patterns in this book are not duplicates of the Part II, but some do sometimes appear similar but with subtle differences. Overall, I would say the vast majority of the patterns

are unique to this book. The one thing this book does not contain are color photos of the patterns. I found this disappointing but not of such consequence that it impacted the patterns, only my desire to see the work in color. There is the same history as in Part II of each block's design which is helpful and informative. There is also an addition to this book of several 'Baltimore' style designs but with a modern twist. This book is an excellent to any Baltimore collection and will inspire you with the detail and devotion required to complete one of these album quilts so many years ago. 0 of 0 people found the following review helpful. bookBy Customergood book but need volume 12 of 2 people found the following review helpful. Baltimore QuiltsBy irismaryThe book is full of wonderful Baltimore applique designs, but for people like me who do not have the know how and knowledge of applique it could be frustrating. There are no instructions at all, I have purchased the Baltimore Beauties and Beyond Vol 1 book as I am told this has many instructions for the Applique patterns featured in The Best Of Baltimore Beauties.

A collection of block and border patterns for Baltimore-style album quilts. There are 75 patterns, with annotations covering their history, symbolism and construction. Most of the patterns were chosen by the author, Elly Sienkiewicz, from her previous books, including those that are now out-of-print, and there are four new designs. The book is indexed for finding multiple patterns of any block style, including baskets, bouquets, papercuts and more.

About the AuthorElly Sienkiewicz is a quiltmaker, teacher, and the author of Fancy Appliqu, Baltimore Beauties and Beyond, and other best-selling crafts books. She lives in Washington, D.C.
