Joni Prittie : The Best of Victorian Christmas Crafts before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Best of Victorian Christmas Crafts:

1 of 1 people found the following review helpful. Wage range of easy projects, easy instructionsBy S. KirbyThis book is divided into 4 chapters; Home for the Holidays, Trim the Tree, Victorian Wreath and Christmas Giving. projects within this book range from elegant to beautiful and all are within the reach of anyone who can follow directions. The directions are in step by step format of easy to understand details. Drawings appear with some of the steps to show the creator what it should look like. Full page colored photos also provides a wonderful reference to each project. Since glue is the primary means of connecting or attaching items there is no worries for non-sewers. Most of the projects in this book are within one to three hours for completing. My personal favorite is the beautiful Victorian Angel tree topper and the selection of wreaths. Many of the projects also feature display ideas or little suggestions for enhancing the look. Dipping roses in wax to add shine and prevent drooping. Anyone who wants variety in their decor should try this1 of 1 people found the following review helpful. I do not recommend this book at all for making Victorian craftsBy book crazyI live in a Victorian home, and have a keen interest in Victorian crafts. The projects in this book have a very 1980s look and feel.. The presence of lace does not make something Victorian. I do not recommend this book at all for making Victorian crafts.

Wreaths, bows, potpourri, and much more are yours to create and to share during the holidays.
