John Walk : The Big Book of Fenton Glass: 1940-1970 before purchasing it in order to gage whether or not it would be worth my time, and all praised The Big Book of Fenton Glass: 1940-1970:

This popular tour of sumptuous glass colors, decorative treatments, and forms (from baskets and bowls to sandwich trays and vases) produced by the famous Fenton Arts Company is back in a new edition, complete with new values for collectors. More than 840 color images provide a visual feast of the company's popular products, plus rare, unlisted, and experimental items. A brief history of the West Virginia company, listings of factory ware and mold numbers, a chronicle of the various colors produced in the many product lines, a bibliography, and values round out the eye-catching presentation.
