I only collect white hobnail. So, it was disappointing with attention given to colored pieces. If you collect all types of Fenton, this is the book for you. It does make a nice table book. Visitors impressed by the uncluttered display of my small collection enjoy skimming the pages. 0 of 0 people found the following review helpful. The BEST reference books written on Fenton Art Glass By Junkie In my opinion, John Walk researches, compiles, writes and publishes the very BEST reference books on Fenton Art Glass. He, personally, takes excellent, professional photographs of each and every piece of glass featured in his

books. If you need Fenton Art Glass reference books, you will find none better. I have all of them and highly recommend every book John Walk has published. Enjoy the hunt. 5 of 5 people found the following review helpful. The perfect gift. By Rebadeeb My mother is an avid Fenton collector and her favorite has always been milk glass. She has been collecting for over 40 years and this book was just what she needed to supplement her collection. She uses this book like a her own private encyclopedia and I am so glad I purchased this for her. Great book

The most complete listing of Fenton Milk Glass available today, displaying the beautiful white and pastel Milk Glass made from 1940-1985. Superb examples of Hobnail and Silver Crest patterns abound. Forms ranging from ashtrays and candy boxes to tidbits and vases are featured with a company history, glossary, and bibliography. Values are in the captions.
