John Walk : The Big Book of Fenton Milk Glass: 1940-1985 before purchasing it in order to gage whether or not it would be worth my time, and all praised The Big Book of Fenton Milk Glass: 1940-1985:

0 of 0 people found the following review helpful. Beautiful illustrations!By byuNicely bond book with great illustrations of these beautiful pieces and good reference to current market values. I only collect white hobnail. So, it was disappointing with attention given to colored pieces. If you collect all types of Fenton, this is the book for you.It does make a nice table book. Visitors impressed by the uncluttered display of my small collection enjoy skimming the pages.0 of 0 people found the following review helpful. The BEST reference books written on Fenton Art GlassBy JunkieIn my opinion, John Walk researches, compiles, writes and publishes the very BEST reference books on Fenton Art Glass. He, personally, takes excellent, professional photographs of each and every piece of glass featured in his books. If you need Fenton Art Glass reference books, you will find none better. I have all of them and highly recommend every book John Walk has published. Enjoy the hunt.5 of 5 people found the following review helpful.

The perfect gift. By Rebadeebs My mother is an avid Fenton collector and her favorite has always been milk glass. She has been collecting for over 40 years and this book was just what she needed to supplement her collection. She uses this book like her own private encyclopedia and I am so glad I purchased this for her. Great book

The most complete listing of Fenton Milk Glass is now revised and expanded. The beautiful white and pastel Milk Glass made by Fenton Art Glass from 1940-1985 is described and displayed in over 470 striking color photographs. During this period, Fenton was the preeminent manufacturer of Milk Glass wares. One look at this book will show you why. Superb examples in the popular Hobnail and Silver Crest patterns abound along with Block Star, Cactus, Daisey Button, Regency, Rose, and many other popular patterns. Forms from ashtrays and candy boxes to tidbits and vases are featured with a history of the company, glossary, and bibliography. Newly updated market values are in the captions.

About the Author John Walk, owner of Memory Lane Antiques, started researching Fenton Art Glass roughly twelve years ago; he soon saw the need for a full colored identification guide with prices. He travels a thirty state area regularly, both buying and selling. John has published numerous books on Fenton Art Glass.
