**Susie Johns : The Big Book of Halloween Fun** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Big Book of Halloween Fun:

7 of 7 people found the following review helpful. DisappointmentBy Lisa S.I expected much more. Most of the content is common and trite geared more toward children rather than adult entertaining. Costume suggestions are ridiculously dull (a witch, bad fairy, zombie, etc.). The only part somewhat interesting is the recipe segment with colorful photos. However, I have seen most of these recipes published on the net. I would not buy this book again and I certainly would not recommend it.

Here in one extra-large, idea-packed, fun-filled book is everything anybody will ever want to know about autumn's favorite holiday. Mixing a delightful text with highly atmospheric color illustrations, The Big Book of Halloween Fun presents ideas for games to play at Halloween parties, recounts tidbits of Halloween history and spooky Halloween jokes, gives directions for making original costumes, offers recipes for party foods and treats, features songs and poems with Halloween themes, tells scary ghost stories, and suggests party ideas. A fascinating collection of Halloween-related folklore includes legends, love spells, and traditional ways to find out whether one's love will be true and lasting or chaotic and strife-torn. Here too are directions for making great Halloween party invitation cards

with pop-up ghosts, as well as pumpkin-and-chocolate truffles to serve at that party. Kids, grownups, and everybody who enjoys celebrating Halloween will find great ideas for hours of supernatural fun and eerie entertainment. Full-color illustrations throughout.

From the Back Cover[back cover] Have you ever wanted to know why you carve pumpkins at Halloween or why you dress up and go trick-or-treating? Ever wondered why witches and all things scary are associated with Halloween? Maybe you are planning a Halloween party and you want some spooky ideas to turn your home into a horrible haven for apple bobbing, fortune-telling, and other Halloween revelry. Or you've been invited to a party and you don't know what to dress up as ...Look no further! Transform yourself into a Green Grinning Goblin or a Truly Terrifying Mummy. Serve up some Scary Face Pizzas and Swamp Slime. Learn to carve a pumpkin the traditional way or simply decorate acorn squashes and turnips. Turn your home into a haunted house with eerie sound effects and hidden props. Frighten your friends with a classic ghost story. You'll find this book full of imaginative projects, party games, gruesome recipes, pumpkin craft, and crazy costumes that are guaranteed to get your Halloween off to a flying start! Watch out for Creepy Door Wreaths, Fearsome Finger Puppets, and Pumpkin Print T-Shirts, not to mention black cats, vampires, witches, jack-o-lanterns, spiders, and background on lots of traditional Halloween customs. With ideas, tips, and trivia bursting out of every page, there's plenty here for kids and parents to make this Halloween unforgettable.

About the Author: Susie Johns was born in South Wales and studied Fine Art at the Slade School, University College in London. She currently edits and contributes to many publications in the areas of arts and crafts. She has her own studio in the Greenwich district of London, where her several original art projects include creating papier-maché models used in magazine illustration.
