Brimming with exciting projects--50 in all--this collection provides extraordinary value. Choose from decorative crib quilts, lap quilts, and bed-sized quilts in a variety of fabric combinations. Create everything from two-fabric designs to

scrappy multiple-fabric quilts. Featuring traditional patchwork and fast cutting and piecing techniques, these quilts have broad appeal--as one would expect from such a well-loved designer!

About the Author We were saddened to hear of the passing of Judy Hopkins on March 9, 2011. Judy was one of our most prolific and bestselling authors, having published 17 books between 1989 and 2011. Her collaboration with Nancy Martin, *101 Fabulous Rotary-Cut Quilts*, has sold more than 131,000 copies. Her *Around the Block* series, which ultimately became *501 Rotary-Cut Quilt Blocks*, was the design source for probably tens of thousands of quilts around the world. Judy was a major figure in the quilt industry for decades. She will be greatly missed. To honor her memory, Judy's family is commemorating her work through a website and blog.
