Aldren A. Watson : The Blacksmith: Ironworker and Farrier before purchasing it in order to gage whether or not it would be worth my time, and all praised The Blacksmith: Ironworker and Farrier:

A tribute to the skill and ingenuity of a versatile craftsman. The book explains the role of the blacksmith as hardware maker, farrier and village handyman and explains the methods for fullering, upsetting and welding wrought iron. There are suggestions for setting up a blacksmith shop. Illustrated
