Contents By 2crazy4books2 The Book of Handwoven Coverlets by Eliza Calvert Hall 1988 from rear cover ".....Among the finest examples of native art and expertise are the intricately designed, consummately crafted handwoven coverlets produced by American weavers generation ago. Today, they are highly valued as both works of art and collectibles. This classic volume, among the first to chronicle this prized and historic folk art, describes and illustrated 63 magnificent examples of handwoven coverlets, selected at a time when they were more generally available. It would be nearly impossible to compile this collection today....." This book has 67 pages and is profusely illustrated. ISBN: 0-486-25688-X. revised and altered republication of the edition of 1912

Coverlet designs old and new.
