From Word for Word Bible Comics : The Book of Ruth: Word for Word Bible Comic: World English Bible Translation before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Book of Ruth: Word for Word Bible Comic: World English Bible Translation:

1 of 1 people found the following review helpful. Visually powerful telling of the story of RuthBy MikeBThe Word for Word Bible Comic presents the stories of the Bible as a graphic novel with the tag line "historically accurate, unabridged, and untamed. This comic lives up to that billing. There is no commentary or embellishments added to the text of Scripture. What you do get is a visually powerful telling of the story of Ruth. Simon Amadeus Pillario draws you into an already great story with his incredible story boarding and full color images. For those who don't follow Pillario's blog, there was a tremendous effort to insure that the drawings were not only visually dramatic but also historically accurate. Having kick started both Judges and Joshua novels I am excited to see this series expand and be made available to a wider audience.1 of 1 people found the following review helpful. A wonderful and insightful way to read the Bible...By Danielle PajakI found this graphic novel approach to the Scripture very fascinating! The authenticity and research done into the cultures and persons of the time period really add to the story being told. It gives a whole new dimension, like having commentary or a concordance, but better because it is visual! I found myself drawn into the story in a whole new way. I love the Book of Ruth, and by showcasing it within its historical context, brought out the glory of God's grace within the lives of these ordinary people, their suffering and their joys. I especially love the end when you see the fullness of God's plan, that Naomi and Ruth are part of the lineage of David,

and inevitably Jesus Christ. It is powerful. I would definitely recommend this book!1 of 1 people found the following review helpful. Truly word for word.By O-boyTruly word for word. Great artwork, well researched. Hope to see more books in the future.
