With the assistance of several nationally-known dealers, the book illustrates, as well as realistically prices, those items most in demand...Packed with Great descriptions for Research --This text refers to an out of print or unavailable Edition of this title..Publisher: Collector Books; 11th edition (August 1993) | File size: 63.Mb

**Gene Florence : The Collector's Encyclopedia of Depression Glass (Eleventh Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Collector's Encyclopedia of Depression Glass (Eleventh Edition):

0 of 1 people found the following review helpful. Dissatisfied.By Sharon WoodwardThis item disappoints me with . No where in the description of the book did it say it was twenty plus years old. I wanted to look up prices now, not over twenty years ago. Very dissatisfied with this book. This does not seem to be up to standards. I go to for almost everything and then I get this.
